### PROTECTIVE ACTIONS

- Red Flag conditions exist on all St. Johns County beaches and Marine Rescue is advising beachgoers to not enter the ocean. Lifeguards towers will not be staffed for the duration of the storm. However, Marine Rescue zone patrols will be continuing.

- Now would be a good time for all citizens to review their emergency plan and supplies, as well as determine their Evacuation Zone by going to our website [www.sjcemergencymanagement.com](http://www.sjcemergencymanagement.com) and clicking on the My Evacuation Zone link.

- Please take this time to make sure that your NOAA weather radio is operational. The programming numbers for the NOAA weather radios are as follows:
  - Northern St. Johns County – Jacksonville Transmitter – 162.550
  - Southern St. Johns County – Palatka Transmitter – 162.425
  - S.A.M.E number for specific County programming 012109

**This will be the FINAL Situation Report for Tropical Storm Hermine**
