- Residents have been asked to conserve water and to reduce toilet flushing.

## LOCAL ACTIONS

- The mandatory evacuation order for those residents living in Evacuation Zone A and Evacuation Zone B. Residents living in boats, RVs, and mobile homes is still in effect.
- The City of St. Augustine has limited access until further notice.
- Urban Search and Rescue in conjunction with rapid damage assessment is underway.
- St. Johns County damage assessment teams will begin preliminary damage assessment on September 12.
- St. Johns County road and bridge crews are beginning road clearing operations throughout the County.
- A curfew is in effect from 8 p.m. to 6 a.m. for the City of St. Augustine Beach, the City of St. Augustine, and portions of St. Johns County lying east of the Intracoastal Waterway on the barrier islands. The curfew will remain in effect nightly until further notice. A curfew order mandates that anyone on the street may be required to produce identification to law enforcement officers to verify their address and purpose for being in the area in an effort to
reduce incidents of potential looting and to protect those in areas which may not yet be deemed safe.

- Bridges to the barrier islands remain closed and will not reopen until FDOT completes inspections and the area is deemed safe.

- All beaches in St. Johns County are closed until further notice. This includes the St. Augustine Beach Pier.

- Republic Services and Advanced Disposal have suspended all household waste and recycling collection services in St. Johns County for Monday, September 11 and Tuesday, September 12 in preparation for Hurricane Irma. In addition, yard debris collection services will be suspended Monday, September 11 through Friday, September 15.

**The next Situation Report will be issued at 1200, Tuesday, September 12, 2017.**
